Classmates,

Many thanks to each of you for your support of our 20 Year Class Reunion, especially those who helped by sharing addresses. It was quite a job locating our group after 20 years.

A special mention goes to Cheryl Martin Harwell for coordinating the gifts, to Bonnie Gill Forrest who was responsible for the typing of the Annual, and to Linda Spinner Lowe, her husband and mine for transporting the music. Also, thanks to the class members on the Welcome Committee for the help at the door.

The largest mention of all goes to Linda Arthur Moseley who spent money, many hours sending the letters, cards and verifying addresses. In addition, she donated the handmade gifts and flowers. Her cooperative help and unselfish sharing of her time is much appreciated. Thank you, Linda. Keep in touch with her if your address changes so we can get together again in the future.

It is our hope that tonight will be a festive one that will bring back fond memories of our high school days and give us an opportunity to renew old friendships. May you have pleasant memories of this night for years to come.
